F. FINAL CHECKLIST & SHOW IMPLEMENTATION

FINAL CHECKLIST

- Furniture ordered for exhibition booth and/or trade show contractor hired?
- Hotel accommodation and travel bookings made?
- Informational materials prepared for the general public?
- Business cards printed?
- How will the packaged material be brought to the booth?
- Arrangement for temporary staff made?
- What invoices are still outstanding?

SHOW IMPLEMENTATION

During TTF it is important that your stand personnel converse professionally with customers. These interactions must be documented properly to collect information for professional trade show follow-up.

1. Conversation with customers

- Every opportunity to make contact is priceless and must be converted to dialogue with a great deal of attention and willingness.
- Even seemingly disinterested customers present a window of opportunity for fruitful communication.
- Understand the visitor's busy schedule and compress your sales pitch accordingly.
- Leave room for the visitors to explore, instead of overwhelming them with attention.
- Recognize the interests of the visitor and build your conversation around it.

2. Documentation

Each conversation forms the basis for your trade show follow-up and hence must be documented by stand personnel if a visitor shows genuine interest.

- When a business card is available do not ask for information already mentioned there.
- Only begin taking notes after a short warm-up phrase.
- Because your notes are not secret, allow the person concerned to see what you writing down.
- Use copies of the enclosed "Conversation Record" for evaluating significant contacts.

3. Follow-up

In no later than 10 days after TTF, the following activities when efficiently handled directly influence the business decisions of important contacts:

- Thank-You mailings
- Phone calls to initiate contacts
- Business proposals
- Live up to the promises made

**WE WISH YOU SUCCESS IN THE UPCOMING EVENTS

HOPE YOU FIND THESE GUIDELINES USEFUL**
