Chief Minister, Gujarat State

Dt. 29-07-2025

Message

Indians have always been adventurous by nature, with a deep passion for travel and exploration. Much like migratory birds, they journey far and wide. However, there is a distinct difference—while Indians adapt and integrate into communities across the globe, they never lose touch with their roots. Wherever they go, they carry with them the essence of India—its culture, language, traditions, and values—and pass this rich heritage on to the next generation with pride and dedication. In one of his visionary addresses, **Honourable Prime Minister Shri Narendrabhai Modi** introduced the concept of '*One State: One Global Destination*'. This forward-thinking initiative aims to spotlight each state as a unique tourism hub, enhancing its global appeal. Not only will this drive tourism growth, but it will also spur the development of surrounding cities as emerging tourist destinations. Ultimately, this movement holds the promise of transforming India into a global leader in eco-tourism.

I am much pleased to learn that **Fairfest Media** is organizing the **Travel and Tourism Fair (TTF) 2025** during 31st July to 2nd August, 2025 at **Gandhinagar**. I am delighted to learn that this show will feature for domestic and international exhibitors to showcase their best offerings under a roof and engage them with travel trade professionals and industry leaders. I convey my best wishes to the organizing team including all the members of participating group and the travel-lover people for the grand success of the event and for their bright future ahead.

Message

Tourism continues to be a key driver of Gujarat's economic and cultural growth, contributing significantly to employment generation, entrepreneurship, and regional development. With its diverse landscapes, heritage sites, and world-class infrastructure, Gujarat has emerged as a leading destination for both domestic and international travellers.

TTF plays a vital role in bringing together stakeholders from across the travel and tourism ecosystem, including state tourism boards, hospitality groups, tour operators, DMCs, and technology providers. It provides them with valuable opportunities to collaborate, showcase their offerings, and foster meaningful business partnerships.

I am pleased to note that TTF is once again being held in Gujarat at the Mahatma Mandir, Gandhinagar, from 31st July to 2nd August 2025. Hosting this leading B2B trade show in our state not only reaffirms Gujarat's central role in India's tourism growth but also strengthens our position as a vibrant hub for exhibitions, meetings, and business.

I convey my best wishes for the grand success of TTF Gujarat 2025.

(Mulubhai Bera)
